

SALT ELIMINATOR™

An advanced formula designed to break the bond formed between metals and road salts or deicing chemicals.

Features & Benefits

Helps Fight Corrosion

Magnesium, calcium, and sodium chloride salts can greatly accelerate the corrosion process. Salt Eliminator is able to remove these chlorides from your vehicle which is a vital step in fighting corrosion.

Repels Moisture

Salt Eliminator creates a water repelling surface that not only leaves a beading shine to the vehicle but also helps slow salt from reforming on the surface.

Environmentally Friendly

Salt Eliminator doesn't contain any phosphates or petroleum solvents.

Safe on any Surface

Salt Eliminator can be used to remove salt stains from carpets, upholstery, plastic, leather and vinyl.

Areas of Application

- Vehicle & equipment salt removal
- Salt-spreading equipment
- Automatic and self-serve carwashes
- Interior Desalting

Methods of Application

- Foam Guns*
- High Pressure Wands
- Pressure Washing
- Vehicle Wash Systems
- Wash Bucket
- Trigger & pump-up sprayers

* Ask about Krown's High Pressure Foaming Cannon.
